

A comprehensive psychoeducational assessment requires some or all of the following components. We will discuss your needs and agree on an assessment package together.

School observation	\$200 (90 mins)
Autism Direct Observation Schedule (ADOS)	\$360.00 (120 mins)
Weschler Intelligence Scale for Children (WISC-V)	\$350.00 (120 mins)
Child Behaviour Checklist (CBCL) (parent and teacher online forms)	\$30.00
Vineland Adaptive Behaviour Scales (online)	\$30.00
Report writing	\$900.00 ¹
Feedback session	\$180.00
	\$2, 050. 00 (or part thereof.)

Please note that Medicare rebates under a Mental Health Treatment Plan are only applicable to therapeutic sessions, not assessment.

Referrals under a Helping Children With Autism referral are eligible for four assessment sessions with a Medicare rebate.

NDIS funding may apply.

¹ Or less. This varies according to number of assessments conducted.
